## Omaha University Extends Welcome to New Students Freshmen to View OU Via Tours, Speeches

Some 1200 freshmen and new students are expected to attend Freshman Orientation Day Wednesday, Sept. 12.

The purpose of the Day is for the new students to ask questions and become acquainted with their new school.

Activities begin at 9 a.m. At this time the various groups will meet with Milo Bail, President of the University, Donald Pfister, Dean of Students, and the Deans of the various colleges.

Also in the morning the sections will meet at various times with the freshman advisors.

A luncheon will be served in the cafeteria.

In the afternoon the new students will meet the Dean of Women, Elizabeth Hill. Men students will listen to members of the Athletic Department speak on Intramurals and men's athletics at the University.

A representative from the Women's Physical Education Department will tell the women about the various activities open to them.

Members of special interest organizations are scheduled to speak about their organizations. They are: Max Voigt, Omicron

Delta Kappa and the Men's Freshman Honorary; Susie Sipher, Waokiya and Alpha Lambda Delta; Dud Kersey, special interest groups; Jim Pelowski, dramatics.

J. A. Malik, head of the Music Department, is to speak on Musical opportunities at OU. Malanie Jeub and Arlo Grafton, TOMAHAWK and GATEWAY editors respectively, will speak on publications at the University.

Lyle McFarland will speak on Interfraternity Council; Judy Moe, Panhellenic Council, Elizabeth Vinski, Independent Students Association, and Jim Leslie, Student Government.

At the conclusion of these speeches the group is invited to a punch party in the Student Center Ballroom.

The day ends officially at 4:30 p.m.

This activity is sponsored by the Student Council in cooperation with the Dean of Students office. Jim Leslie, president of the Student Council, is in charge of planning the affair. Dr. B. Gale Oleson and Dean Pfister are the faculty members who are also planning activities for the day.

## Student Center Adds Facilities This Summer

Activities in the Student Center have been expanded to keep pace with the growing University.

Two listening rooms have been added to the BenGallagher Game Room. Stereo tapes and records will be piped into the booths. The listener will pick up the phone in the booth and give the attendant at the information desk the number of the tape they want played.

The tapes are on order and there are records available now. The two new rooms were financed through the Student Center Program.

### Four Bowling Alleys

There will be four new bowling alleys ready for student use as soon as possible. The alleys will be equipped with automatic pin setters, bowling balls, and shoes.

Hot and cold food vending machines will be included in the bowling area. Eight large round tables plus additional small tables are planned. Lockers will be placed close to the vending machines.

The Audio-Visual department is preparing historical Nebraska scenes for the walls of the bowling alley.

### Friday Dances

Later in the year the Student Center Committee will sponsor the Friday afternoon dances. The Committee wants as much live music as possible.

Members of the Student Center Program Committee are made up of one representative of the Inter-Fraternity Council, Independent Students Association, Panhellenic Council, presidents of the sophomore, junior and senior classes, one member from each college, and ten faculty members. Mr. William Gerbracht is the chairman of the committee.

## Extra Services Always Available Free to Students

Two important services provided by the University are the Health Service and Placement Service.

The Health Service, Room 250, gives complete physical examinations to all incoming students. These physicals must be completed before the student is admitted to the University.

All injuries occurring on campus should be reported to the health office at once. First aid is given in case of accident or illness.

No registration is complete in any semester until the nurse or University Physician has stamped the student's identification card with his health rating.

The Student Placement Service, located in Room 248, helps students and graduates get full-time, part-time or summer jobs. Any student desiring employment should register in the Placement Office.

A bulletin board listing some of the part-time jobs available is located at the east end of the second floor.

Both of these services are of charge.

## Enrollment Booming; Total Expected 7800

The University of Omaha will begin its 54th year with booming enrollment.

Some 7800 total students are expected in the classrooms this Fall.

Of this total 3960 are expected in the day sessions and 3840 at night.

Around 4000 have already registered with the rest due to register this week.

The College of Adult Education will have registration today and tomorrow from 4:30 to 8:30 p.m. in the University Auditorium.

Day student registration for former students will be Sept. 13 and new students will register the following day.

Registrar Virgil Sharpe anticipates no major problem in handling the registration.

The only new part of registration for the fall session is that the IBM system will be in operation for the first time.

Sharpe says the IBM system has made a considerable change in the registration procedure. For one thing he says it has allowed us to do more with registration than in the past. The only problem now with the IBM system is getting the student acquainted with it.

Since this registration is under the new punch card system, students are asked to follow these instructions carefully. One of the main things is not to fold any of the IBM cards given to you during registration week.

The following steps should be observed carefully:

- 1—Enrollment materials are filed alphabetically by name at the East check window on the ground floor of the Administration Building.
- 2) You may receive a packet which contains a "Permit to Enroll" (card number 1) that has your name and a number in the upper left hand corner. This number is your identification or I.D. Number. This number and your name will identify you in all records and activities here at the University now and in the future. Now proceed with Item 11.
- 3) You may receive a packet which contains a blank "Permit to Enroll" card (card number 1). If so, you must proceed across the hall to Room 138. There you will have your name, I.D. Number and date of birth put on your card. You may now proceed with Item 11.
- 4) In addition to card number 1, your packet will contain cards numbered 2, 3, and 4.
- 5) Fill out form 2 completely on both sides with the exception of the classes you are going to take. Be sure to check appropriate boxes and copy the code number of

your major from the back side of card number 1 (Permit to Enroll).  
b) Fill out form number 3.  
c) Fill out form number 4 completely on both sides.  
111—Check the blackboard outside the Office of the Registrar (Room 220) for closed classes. Then make up a tentative schedule. Complete remainder of form number 2 (Official Enrollment). List the call number, course number and descriptive title for all classes. Indicate in proper column whether credit hours are undergraduate, audit or graduate.

114—All students, including Graduate, must see a counselor in their college. In one of the following rooms:

Liberal Arts ..... Room 207  
Applied Arts ..... Room 209  
Adult Education ..... Room 203  
Business Administration ..... Room 289

V—Form number 2 (Official Enrollment) MUST be signed by your counselor immediately following the last course listed. All changes must be initiated by your counselor. DO NOT ERASE! You cannot proceed without this signature. (The schedules of seniors and students with special problems must be signed by the Dean of their College.)

VI—Proceed to Room 208.  
Here you will become part of a closed line and will draw your class cards, have your fees assessed, pay your fees, and finally, receive your class cards. Instructions will be given you as you proceed.  
Classes begin at 7:30 a.m. on September 17, 1962.

### HOW TO ADD OR DROP A COURSE

1. See your adviser (he has the proper forms).
2. Report to Office of Registrar:  
September 15—Room 210.  
September 17-22—Room 220.  
Students withdrawing from the University or dropping a course must file an official drop slip in the Office of the Registrar or their grades will be recorded as failing.  
A student may not withdraw from a course later than the eighth week with any grade other than an F.  
The last day for adding credit classes to a day school schedule is September 22 and not the 17th as listed in the Class Schedule folder. The 21st will be the last day for night students and not the 17th.  
Late registration for day and night students is Sept. 17.

## Mutual Offers Insurance Plan For Students

See Ad, Page 2.

A student accident and sickness insurance program has been approved by the Board of Regents for Omaha University students.

Mutual of Omaha was the successful bidder on the program. The plan, which is voluntary, will become effective September 10. Any full-time day student may sign up for the coverage. A full-time student must carry at least 12 credit hours.

The insurance cost is \$15.75 for a full year coverage.

It is an individual plan, covering no one but the student. It will pay in addition to any other insurance the student has.

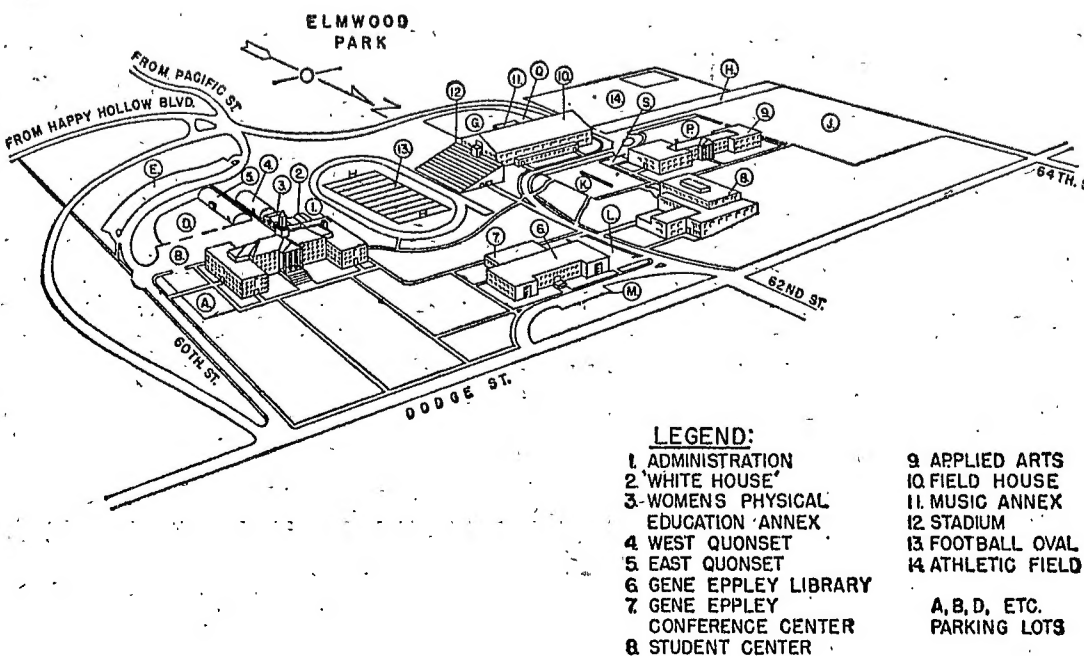

The insurance program is designed to supplement the present University health services by protecting students against expenses from unexpected accidents or illness.

The program DOES NOT COVER: intercollegiate sports, but DOES cover the intramural sports played on campus. The idea for such a plan originated from concern over accidents which might result from intramurals.

A student may apply for the insurance coverage through Oct. 10 following the date of fall registration. If he does not take out the coverage during this time, he may not do so for a full year.

A student entering school late or at second semester registration may enroll in the plan within 20 days after his registration.

The University of Omaha recommends that every student take advantage of this unusual opportunity to secure accident and sickness insurance at a very low rate. Students are urged to make their applications during the enrollment periods which will be announced during registration.

Lost? The sketch above has all the buildings on campus, except the new wing to the Applied Arts Building, which is on the south end of the building.

## Rushing Activities Now in Full Swing

Rush Week is in full swing for the Omaha University sororities today. Formal rush began Sunday with a tea in the Student Center sponsored by Panhellenic Council. Rush parties will be held every night from Monday, Sept. 10 to Friday, Sept. 14.

Girls eligible to be pledged to the sororities, Alpha Xi Delta, Chi Omega, Sigma Kappa and Zeta Tau Alpha, must be carrying a minimum load of 12 hours at OU. Former OU coeds who are going through rush must have a 2.0 average on campus to be eligible to be bid.

Following the tea Sunday, brief parties were held by each sorority. Rushes signed their party lists in the Student Center Ballroom today from 8 a.m. to noon. A rushee must attend every party for which she signs up, but she need not sign up for all five parties if she does not wish to. If she does not attend a party for which she signed up, or goes to a party other than the one she is scheduled to attend, she will be dropped from rush. No girl may attend more than two parties given by one sorority.

### Three Choices Urged

Rush parties may not include any formal entertainment and no refreshments will be served. Girls will sign their preferences on Saturday, Sept. 15. Each rushee is urged to indicate three choices.

Rushes must pay a \$5.00 fee for rushing activities. This fee does not guarantee membership in any sorority.

Rush parties from Monday through Thursday nights will be held from 7:30 to 9:00. The Friday night rush party will be from 7:00 to 8:30. The parties will be held in rooms in the Applied Arts Building and the Student Center.

### Saturday Is Silent

Sept. 15, has been designated as "Silent Day." No sorority member may have any conversation or contact with a rushee until after bids are received Saturday evening. Girls receiving bids will be notified by Special Delivery Saturday evening.

Any girl who drops out of rush or who does not accept a bid offered her, must wait one calendar year before she may be pledged.

A tea will be held in the Student Center Ballroom on Sunday, Sept. 16, for the new pledges and their mothers. Pledge ribbons will be picked up at this time.

Dress for the rush parties consists of skirts and sweaters or casual dresses, and heels.

### Fraternity Rush Week

"Working with others, thinking with others, and serving with others..." is the function of the fraternities on our campus.

This week—the 10th through the 17th—is formal Rush Week for the five national fraternities.

The names of the social fraternities functioning on campus are: Lambda Chi Alpha, Phi Kappa Alpha, Sigma Phi Epsilon, Tau Kappa Epsilon, and Theta Chi. To be eligible for pledge-ship, a man must be registered as a regular student, carrying a minimum load of 12 semester hours, and in good standing to university regulations.

### Five Parties

Each rushee MUST attend all five fraternity parties held from 7:30 p.m. to 11:00 p.m. on Sept. 10 through 17 according to the schedule given him at the Interfraternity Council Smoker. He MUST register at each party. If he is unable to attend any one of the parties, he MUST present a written excuse to the Interfraternity Council explaining his absence. This written excuse must be turned in to the Dean of Student Personnel Office,

Room 250, Student Center, prior to preference day and be approved by the I.F.C. Failure to visit all five fraternity parties or to submit an acceptable excuse for any absence forfeits the rushee's right to pledge this semester. Re-pledges are not required to attend rush parties.

All rushing will close from 12:00 midnight to 7:00 the following morning, Monday through Saturday of formal Rush Week. Each rushee MUST be prompt and stay the full length of the rush party he is attending.

### Preference Party

On Saturday, September 15, 1962 from 7:00 p.m. to 12:00 midnight each fraternity will hold a party open to all rushes. Any or all of these parties may be attended by a rushee. From 12:00 midnight the 15th to 5:00 p.m. Sunday, the 16th will be known as "SILENT DAY." During this time no fraternity member shall converse with prospective pledges on the subject of membership or shall give any attention or favor to these rushes.

All rushes MUST sign a preference card Sunday, Sept. 16, from 1:00 p.m. to 4:00 p.m. in the Dean of Student Personnel Office, Room 250, Student Center Building, if they desire to be considered for membership in a fraternity. NO CARDS WILL BE CONSIDERED AFTER 4:00 p.m. A man having once made a preference cannot change that preference until the next semester rush period.

A rushee will be notified by 5:00 p.m. Monday, Sept. 17, if he is pledged. The payment of the registration fee does not guarantee the rushee membership in any fraternity.

## Plan to Park? Then Register Your Vehicle

Students planning to park on campus are required to register their vehicles. This may be done during registration or in the Dean of Students Office, Room 240 of the Administration Building.

After this is done, students are required to abide by these regulations.

The speed limit for vehicles on campus is 15 m.p.h. Parking meters are in operation from 7 a.m. to 10 p.m., Monday through Saturday.

Cost of parking will be one nickel for one hour (any number of nickels up to six may be inserted for advance parking fees up to six hours), or one quarter for six hours. CAUTION: meters will not accept dimes.

Do not strike the meter. "Meter Beaters" incur our heaviest penalties (cost of repairs and revocation of parking permit). Any person who notes a parking meter out of order should report it to the Campus Police, Superintendent of Building and Grounds, or the Dean of Student Personnel (Room 240) immediately. Do not wait until a ticket has been placed on the car.

No car will be permitted to back into a parking stall. Infraction of this rule will result in a fine.

Failure to report to pay fines as assessed within 48 hours for day students, or one week for night students may result in suspension from the university.

All cars must be kept between the lines marking the parking stalls.

No vehicles are allowed to be parked on the grass at any time.

- VIOLATIONS**
1. Overtime parking in metered area, \$1.
  2. No valid University of Omaha parking permit, \$1.
  3. Not parking within stall lines, \$1.
  4. Backing into parking stall, \$1.
  5. Failure to come to a complete stop at all stop signs, \$1.
  6. Parking in reserved lots or other unauthorized areas, \$5.
  7. Obstructing traffic, \$5.
  8. Driving wrong direction on one way drives or in parking lots, \$5.
  9. Speeding and/or reckless driving (maximum speed limit 15 m.p.h.), \$5.
  10. Failure to yield right-of-way to pedestrians in cross walk, \$5.
  11. Passing a motor vehicle, \$5.

Pleading ignorance of motor vehicle regulations is not accepted as an excuse for a violation.

The Deans of all Colleges now have their offices in the Administration Building.

## OU Library Offers Variety Of Services to All Students

University of Omaha's Eugene Eppley Library is open from 7:30 a.m. to 10 p.m. Monday through Friday and from 8 a.m. to 4:45 p.m. on Saturday for student use.

The Library has open shelves to encourage study and browsing. Miss Ellen Lord is head librarian.

There are several special rooms and services contained in the library.

One of these special services is the Adult Education Conference Center. This is located on the first floor in the south wing. It includes an auditorium, lounge and conference rooms which may be reserved for conferences and workshops.

### Audio-Visual Department

Another service is the Audio-Visual Department. It is also on the main floor but in the southeast wing. Films, recordings, tapes and audio visual classroom and a preview room are in this department. Students are invited to use these facilities at any time.

The Curriculum Laboratory on the second floor, southeast section, provides special materials and study facilities for students in the College of Education.

Located in the southwest section of the second floor is the Library Science and Children's Literature Laboratory. This room contains a working collection in children's literature and other materials for library science.

### Regulations

The following are regulations

enforced so that the library may operate as effectively as possible:

1. You must present a library card in order to check out books. One may be obtained when you register or later through presenting your student activity card at the central services desk. There is a five-dollar penalty for allowing anyone else to use this card.

2. All books are checked out at the central services desk. Sign the lined book card with your name and telephone number before coming to the desk. Present the book, the signed card, and your library card to the attendant. The book will be stamped with the date due. All books and brief cases must be inspected at the desk as you leave the library. Books are checked out for two weeks and may be renewed for two weeks provided they are not in demand. Fines for general circulation books are 5 cents a day. Circulation rules for reserve books and fines for overdue reserves are listed in the section on reserve book service. Fines are doubled if not paid when book is returned. Lost books should be reported promptly. All fines and charges must be paid in order to clear your academic record.

3. Books, magazines, newspapers, etc. are all on open shelves. Read and browse but do not return books to the shelves. Leave them on the table.

4. Smoking is permitted in the smoking study and in the east section of the lobby only.

5. Do not ask to use library telephones for personal calls.

# Prospects Brightest in Years—Watch OU Roll

"If we can get by the first two games, we should really roll." That's the way coach Al Caniglia looks at the coming Omaha University football season.

Those first two games are on the road against Morningside and Colorado State, September 15th and 22nd.

OU rolled over both opponents last year, but Caniglia is concerned over the lack of spring practice.

He said we were allowed just 16 days to practice before the first game, and this is not enough time for our newcomers to adapt to our system. To beat the time element, Caniglia installed a crash program of three practices daily during fall camp.

## Good Attitude

He said the players have accepted this with a minimum of grumbling. As a matter of fact, he added, the morale is one of our biggest assets. He termed the boys' attitude as the best he has ever seen.

Contributing to this attitude is the confidence they gained dur-

## The Rocket Comes of Age, Runs With Best in the World

By Mike Moran

The best athlete in Omaha? Well certainly there are a few thousand people that think so. A recent World-Herald survey reached this conclusion and there are few Omaha University supporters that would disagree that Roger Sayers isn't the best.

Sayers . . . 9.4 seconds.

Everybody feels great when an athlete representing Omaha in any way makes good in the national spotlight. But which Omaha Boy has made it as big as "The Rocket?" Not since Johnny Goodman won the PGA Golf Tourney in 1932 has an Omaha bred athlete reaped such a harvest of honors.

Among this past year's achievements for the personable OU junior are: The championships in the 100-yard dash in the NAIA and CIC; a second place finish in the 100 in the Texas Relays; a disputed third in the Drake Relays 100; a second place finish in the National AAU 100' at Walnut, Calif., in a blistering 9.4, plus a second in the 220 in 20.9, both of which earned him a place in the United States-Poland track meet in Chicago where he took seconds in both the 100 meters and 200 meters.

Last but certainly not least was the record shattering performance in the United States-Russian track meet at Palo Alto, Calif., this summer. Running against the world's greatest sprinters, Roger took a second in the 100 meters to Bob Hayes of Florida State. Both Hayes and Sayers were timed in 10.2, which shows the distance by which the OU star missed becoming the world's fastest man in 1962. This time would have won any previous Olympic 100 meters since their conception.

## One More Sport For Intramurals

The 1962-1963 Intramural program grew one sport larger during the summer with the addition of archery. The new sport will be conducted through four-man team competition as well as individual contests. Points earned in archery competition will be counted towards the Intramural Sweepstakes trophy. As in all Intramural sports the entire mens student body is invited to compete.

Mr. Bert Kurth, Intramural director, urges swift forming of flag football, bowling and archery teams so that he may make up schedules as soon as possible. Mr. Kurth plans on beginning football games the first week of classes if teams will turn in their rosters quickly.

Students are invited to come in and see Mr. Kurth in the new Intramural Sports Office in 215-B of the Student Center.

In 44 seasons of intercollegiate football, the University of Omaha has had 19 winning years. The latest was in 1961 when the Indians won six, lost three. There has been just one unblemished season — that in 1954 when Coach Lloyd Cardwell's team won 10 straight, including the Tangerine Bowl. Football started at Omaha U. 50 years ago, in 1911.

Intercollegiate basketball at the University of Omaha began in 1910.

## Yelkin, Gorr Add Honors to Lists

Two University of Omaha coaches took national honors this summer. Virgil Yelkin, athletic director and baseball coach was named "NAIA Baseball Coach of the Year" and cross country and tennis coach Ernie Gorr was named to the "Helm's Athletic Foundation Hall of Fame" in conjunction with the NAIA.

Coach Yelkin's baseball teams have won 174, lost 63 and tied 3 in the last 16 years. In the past four years they have won 79 of 99 games. He has never lost a CIC or Kansas-Nebraska-Missouri league title in five years of competition. In NAIA tournaments his teams finished 2nd in 1959; 4th in 1960; and 3rd in 1961. The team did not compete in 1962 because Yelkin was named director of the College World Series.

Coach Ernie Gorr has been with the Indians since 1947. He national honor same from his organization and direction of NAIA Cross Country Championships in 1956. He established a board set of Cross country rules that hadn't existed in any collegiate circle. Gorr also had record holders in the NAIA in track.

Meyers . . . The leader.

ing last season which was the first winning team for OU since Lloyd Cardwell's 1956 team.

Last year, nearly the same squad as this year's rolled to a 6-3 mark after winning only one game in 1960. Last year's Indians lost only one game in the Central Intercollegiate Conference.

Returning are the five top backs who scored nearly 190 points last year.

The fact that only three rookies are listed on the top two offensive teams is an indication of the depth on the team. Ron Eissler is the only new man to crack the starting lineup, and he shouldn't be classified as a rookie, since he is a transfer center from Nebraska University.

The other two rookies on the top 22 are guard Ron Stave and fullback Gerald Allen. Stave is a 215-pound freshman from Omaha Westside, and Allen comes to OU from Massillon, Ohio, by way of Offutt Air Force Base.

All four of OU's contributions to the All-CIC team are returning this year. They are half-backs Roger Sayers and Louie Maloni, end Paul Blazeovich, and Guard Duane Salak.

### Backfield Loaded

The backfield is loaded with talent. Sayers led the CIC in scoring last year, relying mainly on his speed. Miloni is a scooter who has been running over, around, and through OU opponents the past three years. Those two plus the passing arm of Carl Meyers and the power of Wayne Backes, give the Indians the most respected backfield in the conference.

Meyers made quite a name for himself in his first year last fall. He hit 49 of 97 passes for 705 yards and eight touchdowns.

Up front his favorite target is glue-fingered Paul Blazeovich, the top conference pass receiver last year. He snared 30 passes for 446 yards. This one is a

## *But daddy-it's absolutely vital!*

I mean *positively*. Everybody—just *everybody's* got one! Oh daddy, you're absolutely *medieval*. I mean, I could've just *died* when Janie and Marcy and Deborah and Jean—and even that kookie little Katie—said *their* fathers had set one up for them—just as a regular part of getting ready for college. What was I supposed to say—'Well, girls, you know *my* father's a nasty old ogre?' Really! It was so *humiliating*! Yes, daddy. I know you've got my best interests at heart—but look at it this way. You're supposed to be an adult and responsible and all that when you're a college student,

right? I mean, it's the first time you're really on your own, right? Well, dad, how can a girl be on her own without her very own personal checking account? You will? Oh daddy, I *knew* you'd understand! Yes, I'll meet you at the U.S. National tomorrow noon. You're just the *greatest*, that's all! Just think, with my very own checking account, I'll be *independent*. Why of course, it *is* your money. But daddy, don't you see—that's what makes a girl feel so—so *free*!
